Packaging Instructions and Decal Placement

D350-1081-012

Place bicycle rack(s) inside crate, secure movement using foam blocks, add 4 pcs of metal strapping at 12" long and 4 pcs of rubber guard (D2182) wrapped around metal, screw metal strapping and rubber guard into the floor of the crate to secure parts in place. (Screw through rubber to ensure it does not slip off metal)
Ensure metal straps and rubber guards are well placed and tight but will not damage landing gear.
Triple check packaging.
